Picking the perfect venue is an essential part of the planning and at Leonardo Hotel and Conference Venue Aberdeen Airport, we aim to help you host your dream wedding, from intimate to incredible, exactly how you want it.

Our experienced and efficient event teams provide a bespoke service to help you plan and coordinate your ideal wedding. We work hard to mould, tweak, and refine every detail to your liking so that you can relax on the big day, knowing you're in good hands. You can take a tour of our Aberdeen Airport hotel's wedding facilities with one of our dedicated planners to see first-hand what Leonardo Weddings can provide.

Civil Ceremonies

We are fully licensed for Civil Ceremonies with the most popular space being the Premier Suite which is licensed for up to a total of 80 guests.

If you would like more guests to be present during your special day then the Ballroom is the perfect setting, accommodating up to 120 guests for one section of the room and 220 guests for the total suite.

Whether you want your day to be big and glitzy or more intimate, we can help you to make it a truly memorable one.

Your perfect space

PREMIER SUITE

Our Premier Suite is located on the ground floor and offers a square shaped, open plan room free of pillars and perfect for customising to your dream layout and design. With a capacity of up to 80 guests, the suite is ideal for a wedding ceremony or a more intimate wedding.

BALLROOM

Perfect for hosting up to 220 guests for wedding banquets and special events, the Ballroom is the largest and most impressive function room at our hotel.

With a neutral, modern chic décor, it features its own built-in bar, a dedicated fixed dance floor and stage area, air-conditioning, and private cloakroom facilities. The ballroom features windows the full length allowing in plenty of natural daylight and its ground floor location ensures easy access for guests.

The Ballroom can be divided into 2 rooms for smaller events – these become our Houston and Grampian Suites.
